Re: Nitrosamine Statement for Texwipe Products

We hereby certify to the best of Texwipe's knowledge through research of our raw materials and processes used to manufacture Texwipe's products that they are free from nitrosamine contamination.

Please note:

- Texwipe has not analyzed our products for the presence of this substance, and this chemical is not expected to be present, and
- Texwipe does not intentionally add or use any of this substance in our products or our manufacturing processes.

Texwipe is committed to producing the highest possible quality products to meet the needs of customers.

Any feedback and suggestions are encouraged and should be forwarded to your Texwipe representative.

Kind regards,

Jay C. Postlewaite, Ph.D.
