Re: REACH Substance of Very High Concern (SVHC) and Authorization Lists Content Statement for Texwipe Products

Dear Valued Customer:

To the best of our knowledge, Texwipe products are free of chemicals listed on the REACH SVHC Substance List (Version 25 June 2025, 250 substances), i.e., meeting the less than 0.1 weight percent of the article or product. Texwipe products are free of chemicals listed on the current Authorization List of 59 substances i.e., meeting the less than 0.1 weight percent of the article or product.

Please note:

- Texwipe has not analyzed our product for the presence of these substances, and these chemicals are not expected to be present, and
- Texwipe does not intentionally add or use any of these substances in our products or our manufacturing processes.

Texwipe is committed to producing quality products to meet the needs of our customers. Any feedback and suggestions are encouraged and should be forwarded to your Texwipe representative.

Kind regards,
